Prayers and prayers extended to your family, in Jesus Name! Never knew anything about your son, but I hurt just because of the situation. A person robbed of his life by a person not Happy with his or herself I think. I don't understand what kind of satisfaction a person gets from doing something like this. Many Blessings and prayers.

I can only imagine your family's grief. Brian's Facebook entries are heart rending. What you are experiencing matters to me — and to many. I pray Southeast Church will gather round and be your community of faith and love.

“ I work at the court house where Brandon was serving and protecting. The time that i knew him and talked to him, he was such a beautiful soul and genuine nice and kind and caring man. I enjoyed my time and conversation in passing with him. This breaks my heart that he is a beautiful young soul taken way too soon. May the Good Lord protect him and protect his parents and family and friends and loved ones through this sad sad time. I will miss Brandon so much and seeing his kind smile and his funny and fun loving self everyday. There is a wreath at the court house with his picture right now and everymorning that i see that picture, i say Good Morning Brandon as i do all the sheriff's when i enter the court house for work. This world has lost a good man too soon. May he forever be in our prayers, hearts, minds, etc...
God Bless You Deputy Shirley for protecting and serving and being a wonderful human being to this world. We love you and miss you. Your memory and you will never be forgotten.

“ *Brandon touched all of our lives in such a meaningful way with his kindness, his generosity, his warm smile, his friendship, his positive outlook on life, his wonderful sense of humor, his courage in the face of danger, and his devotion and service to our community. The manner in which he lived his life every day, the values he held, and the respect he showed to others were examples to all of us.*

We were all so very fortunate to have him here on earth with us for 26 years and to be blessed with his friendship and love.

Brandon was, is, and always will be a hero among us.

His memory, his love, his courage, and his spirit will live forever in our hearts and our souls.

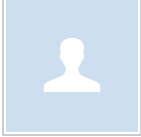

Sending love and prayers, not only at this time of tragic and unfathomable loss, but always, to Austin, Brandon's parents, Brian and Deborah Shirley, Brandon's grandparents, Caroline, and all of the other members of Brandon's family

“ *A New Life*

*Our loved ones don't die; they start a new life instead!
They haven't left us; they've just gone on ahead!*

*We will miss and grieve them, while we're still alive
But they're waiting, with open arms, for us to arrive!*

*The emptiness and pain, in our hearts, is hard to bear
But their loving memories will comfort us there!*

*We must look to our family and friends, to lend a hand
And help us on our journey, 'til we leave this mortal land!*

*Our love still grows for the special people we miss,
Because we still feel the warmth of their touch or kiss!*

*So, you see, they are still with us in so many ways,
And their love will give us strength 'til our final days!!*

“ I am proud to have known Brandon since he was in middle school.
A group of my classmates from Maine got to work over a number of
years with a group of kids at his school in Louisville. Brandon was
the one kid that many of us had stayed in touch with over the years.
May his memory be a blessing.

“ We did not know this young man, but from what we are reading, he must have been one of the good ones. Our love goes out to Austin and the family. We have been together for 40 years, and know that he and Austin would have shared a wonderful long life together with love shared.
