“ *Aunt Sue loved nature, her children, grand children and her sweet husband. She was always so soft spoken and kind. I remember laying out in the sun in her back yard with Lisa; Sue always had a beautiful tan! So many fun memories of my time with the Childers family. Prayers of peace and love to u all.* ❤️🙏❤️

I'm so sorry to hear this. She was always sending me pictures of the Raymer family, for me to pass on to my nephew, Bob Raymer. I will certainly miss her kindness. She was definitely a beautiful lady inside and out.

“ *I was just telling my husband that when I was a little girl I said Sue reminded me of Wonder Woman (Lynda Carter) and to this day I can't not think that. She was so beautiful, inside and out. I always loved being around her and hearing her voice. She had a unique and enthusiastic voice and a contagious smile. She always made me feel special. I will miss her and I know so many others will too. I know she is with her Heavenly Father, seeing her loved ones and she's been given a new body never again to suffer.*
