“ *Dear Aunt Brenda... You were always my biggest fan growing up. You would call and ALWAYS ask how I was and if I would sing for you. I will never forget you and your loving nature. Every time I sing out loud, it will be for you. I bless your soul and feel comfort that Max made his way into your heart and that you made your way into his. I will keep your love alive in him and always remind him that you will be watching over him. I hope that now you may breath easy and find comfort in God's love. We will miss you... Love Always, Michelle, Michael, Maxwell and Wyatt*
