“ Jeff called to tell me of the sad news. I have some really great memories of Brenda and her family. Going to church in the station wagon has always been my favorite. I am sorry that this has happened to your family, but all heals in time. Love you all, Jenifer

“ May God bless your family and comfort you in this time of deep sadness. It was a joy to work with Brenda at McCann. She always had a smile for everyone she met. We missed her when she left the company and will miss her more deeply now.
