

Brenda Sue Sweeney

October 18, 1942 - June 6, 2020

SWEENEY, Brenda Sue (Daniels), 77, unexpectedly passed away Saturday, June 6, 2020 surrounded by her family. She spent her last hours doing what she loved, fishing with her son and daughter. Brenda was a graduate of Ahrens Trade High School, Class of 1960. She retired from Gold Seal Pest Control after more than 35 years. She was preceded in death by her parents, LaVerne and Byron Daniels; and a brother, Don Daniels. She leaves to cherish her memory, her husband of 58 years, Herb Sweeney Jr.; two children, Karen Radabaugh (Rick) and Eric Sweeney (Michelle); a sister, Joyce Ann Mattingly (John); a sister-in-law, Jane Daniels; four grandchildren, Daniel Radabaugh (Alyssa), Holly Zabel (Atlee), Sarah Sweeney, and Jacob Sweeney; six great-grandchildren, Kaylee, Tyler, Brianna, Ian, Raelynn, and Jackson; plus many extended family members and friends, including Randy Burris, who considered her his second mother. Never knowing a stranger, Brenda was the most caring and kind person we ever knew. She loved life, all people, her friends, her grand puppies, and most of all her family. Always thinking of others first, she was never more than an ask away when anyone needed anything. As of matter of fact, you never had to ask. Her most special times were the quiet nights she spent with her husband, working puzzles and word games. Joyce, her sister, was her best friend and watching them together brought smiles to everyone. She cherished gatherings with her, and their nieces, nephews, and cousins. As a devoted UK sports fan, she loyally followed KSR Radio and all of the players stats. We all knew not to call her

during a game! Living in the neighborhood for close to 50 years, she treasured the many friendships that were made. She enjoyed water aerobics at the YMCA, where she made numerous friends. She will truly be missed by all who had the honor of knowing her. Due to restrictions, services are private. We will celebrate her life on Wednesday, June 10th from 4-7pm. Anyone that would like to attend please contact a family member for more information. The family ask that expressions of sympathy be made to the charity of your choice.

“ I spent Christmas 1999 at my Uncle Rick and Aunt Karen’s house after my Papaw was hospitalized. I was so surprised when I had gifts of my own to unwrap Christmas morning, I am positive they were shopping just days before Christmas. Uncle Rick and Aunt Karen really showed me how much love they had for me.

That afternoon I went with the family to visit Aunt Karen’s parents, both of whom took the time and made an effort to talk to me and let me know that I was welcomed in their home. Eventually it was time for their family to exchange gifts and celebrate being together. I will admit I felt out of place, but only for a minute or two because Herb and Brenda got my attention and motioned me over to where they were sitting. Sitting there talking to them both I was presented with two or three beautifully wrapped gifts, from the two of them to me... In that instant I realized that they went way out of their way to get me one present, let alone a few of them.

I understood what it meant to “ Love thy fellow man”, because they weren’t obligated to buy me presents but instead did so purely out of the goodness of their hearts.

Aunt Karen I want you to know that the memories I have from that day are some of the greatest memories I have, period. Also, I do still have the Black Duncan Yo-Yo and the Millennium Falcon 3-D puzzle that your parents gave me that Christmas.

I love you so much Aunt Karen, and I’m so sorry for your loss.
