“ Just wanted you to know what a special person I thought your mother was. She had a quick wit and huge heart for hurting people. I loved her sense of humor and ability to make the best of every situation. Almost every time I spoke to her without exception, she mentioned her children or grandchildren. She was crazy about all of you and so concerned about your spiritual well-being. Now, she has entered into heaven and fellowship with the Jesus she so loved. Blessings to each of you. Kim Skaggs
