“ I do not know you personally but I want you to know the pride and honor I felt as I stood along side my grandson as he waved a flag as your funeral precession passed. It meant a lot for us to do this because we know the sacrifices you made for us during your life of service so in some small way we felt it was important to show our thanks and gratitude. So on behalf of myself and my grandson thank you and God Bless not only you but your family.

“ To all of "Cordy's" family and friends....My sincerest sympathy and prayers to all of you. I did not know him for very long, but the amount of time I knew him, I enjoyed his laughter and sweetness. My boyfriend and I met him riding motorcycles and enjoyed the few times we spent with him.
