“ *I went to high school at PRP with Brian. I was shocked to find his obituary while scrolling through Facebook. I am so sorry for your loss and feel some of your pain as I lost my husband just the day before Brian passed. I have fond memories of having classes with Brian and of him being part of our friend group. I appreciate his service on the PRP Fire Department. I pray you find peace and comfort during this difficult time. -Angela Wells-Vereb*
