

Brianna Marie Tichenor

September 2, 1991 - May 21, 2020

Brianna Marie Tichenor, 28, passed away Thursday May 21st. Brianna was a 2009 graduate of Manual HS. She then attended New York University where she graduated with a Bachelor's Degree in Actuarial Science and Finance in 2015.

Brianna was employed at Real Term Investment Group in NYC and most recently worked at Mercer Financial Consulting Service as a financial analyst. "Brie", was a very kind, compassionate, unselfish young woman. She went out of her way to help others less fortunate than her and was never judgmental of others.

As a child she was involved in various activities such as gymnastics, cheerleading and was a member of the Lakeside swim team. She enjoyed fun times with her sister, Lauren, riding around in the car listening to music where they bonded the most and talked about their problems.

Brie enjoyed spending time with her nieces and nephew. They had fun going places, baking cookies and apple pies with "Aunt Brie". Brie stressed the importance of education to them and always gave a hand to Nayanna with studying for the ACT and writing essays for college.

Brie had a comical side and loved to laugh. Making funny faces and sounds to crack up everyone. She wrote funny stories and made humorous videos. Her and her uncle Wayne shared the same sense of humor, which made their bond even stronger and was like a daughter to him.

Brie was a wonderful, loving daughter who would always be there to help and

who made her mother very proud.

This is going to sound strange but bear with me for a few. I am a psychotherapist that live in Georgia and used to live in NYC, where I attended NYU with Brianna, she came to me in a dream just now and I just gave her a hug. I looked her up to see how she was doing because we had lost touch, and I am very saddened to hear that she has passed away. I hope her family knows that she was a very kind, tough and resilient young lady trying to make her dreams come true in New York City. My condolences to her family, may she rest in peace.

*Dear Carolyn,
I am so very sorry for the loss of your beautiful daughter, Brianna. We don't know why God takes our loved ones like this, but all I know is that He wanted Brianna in Heaven with Him. She is now your Guardian Angel who will watch over you until you see her again in Heaven. You and your family are in my thoughts and prayers. Love, Diane Shaver.*
