“ *I knew Bruce calling on him at Roll Forming for DoALL or DGI Supply. A first class man of integrity and honesty. It was a pleasure to work with him: serious and humor and easy going. A great man. He will be missed yet remembered. I am certain Rochelle and Becky concur. Jim Shire (now retired)*

“ *We pray our Lord's comfort for Linda and all Bruce's family, and pray that each is able to draw upon many good memories of their lives together. I knew Bruce for many years, and had the pleasure to call on, work with, and play golf with him. I appreciate him as a man and friend who was kind-hearted, supportive, hard-working, jovial, consistent, and a man of integrity. He always spoke so lovingly of his family. His nicknames and sayings are legendary. We will miss him greatly.*

“ *We sat next to each other for at least 15-20 years and shared our life stories each day with each other. Bruce was dedicated to whatever he did. He loved his family so much! I will miss him and all the nicknames he called everyone! Bruce was one of the guys that knew how to squeeze a penny and constantly watched every penny he spent for the company and himself. I will miss him ordering two plain cheeseburgers at Carriss Grocery! RIP my good friend!*
