“ To the Wisehart Family: I have thought about Bryant so many times since he was in my classroom. How sweet he was and how his adorable smile always made everyone else smile too. I am so sorry that I couldn't come to the funeral home. I had just accepted a substitute teacher position when I found out about Bryant. Tammy, you and your family can be assured that you did everything you could to give Bryant a happy and fulfilling life. I always admired you for including him in everything you did and for always thinking of him first. You were wonderful parents to him and I know he loved you for it! My thoughts and prayers are with you and all of your family.

“ Tammy, Keith, Stephanie and Brittany,

I am so sorry for your loss. Bryant was a little angel and he did touch a lot of people in this community and state. I worked as a paralegal for Tyler Thompson during your son's case and a couple years afterwards I remember your family making the trip to Frankfort, KY to fight Senate Bill One....that little guy made people stop and think. You all are in my thoughts and prayers.
