“ *Eric and family I was sorry to hear about the loss of your Father. I always enjoyed the times Carl came and visited us at the store. I will not forget that night we played poker at your house and what led up to his long ride home. Just remember that some time in the near future the thought of Carl will bring a smile to your lips instead of tears to your eyes. You all will be in my prayers*

“ *Pam and family—I am sorry for your loss. Carl has been my all time best friend. We have only talked a few times the last few years. It was always great to catch up with him. He and I hopped a train when we were teenagers and went to Cincinnati. It was one of the best adventures of my life. I think about him often. I will miss him.*
