“ I will never understand why this happened. I'm still in shock as
much as everyone else is I reckon. I hope you know how much you
meant to me. I know you're with Richie and Louise now and I hope
to somehow see you again one day. I'll miss the talks we had and I
was so looking forward to coming and staying with you after I got
over all these surgeries. I'll love you forever and miss you always!
