Tribute Wall

“ Bill and I just saw this Monday evening(8/14) about Carol and are so sorry. Carol and Glen were such good friends to my parents and I will always remember their kindness. Bill thought the world of them back during the Valley View days while he was still a student at the seminary. Not sure how we did not see this in the paper but we would have come to show our respect. Thinking of all of you with sympathy and blessings.

“ Carol was a great friend that we met in Naples FL at our church. She and Glen were special people. We enjoyed visiting, eating and just being together. It seemed like we had always known them instead of a few years. They were great people and Carol was a sweetheart. She loved her family and her church. It is with great joy that I remember her and our many memories. Victor and Theada Morris, Clay City, Indiana.
