“ Carol was a dear friend at AMHS. We had lots of fun together then, but lost touch as adults. I saw her in the last few years at a gathering and we caught up over lunch after that. She told me that Stephanie had moved in because of her new diagnosis. She was grieving her failing health. She was always a joy to be with and I cherish her friendship.

*Sending sympathy and condolences to her family and friends. May she rest in eternal peace, and may her memory be a blessing to us all.*
