“ Just wanted to let everyone know that my thoughts and prayers are with you. Ms. Crow was always my second mom when I was growing up and always made me feel a very welcome part of your family. She will be missed by many. But she is now looking over us all and that, I know, sure makes me feel better. May she rest in peace!

“ Carol and family,

I want to express my deepest sympathy to you and your family with regard to the passing of your mother. From what you told me she was a wonderful and strong woman, and a great mother and grandmother. She has passed those traits on to you and your children, as I have witnessed it in you and them. I know the advantages of a large family in a time of loss, and am sure you all are helping each other through this time of loss and grief. My thoughts and prayers are with you and your family.

Sincerely,

John Nason
