“ Carolyn (nana) was the most beautiful soul I have ever met! She loved all her boys more than anything in the world! I use to love the stories she'd tell me of taking them out of town and they would break beds and stuff and she and Glenda would have to run to the store to try to get the things to fix it, And her great grandkids her face just lit up when you just said there name. She was the one who through all the family party's, make sure everything was ABSOLUTELY PERFECT! There is not a soul out there like hers. Her memory will always live through me and my in laws ❤️ No matter what my kids will always know how special and what a amazing woman you was.

“ I was a friend of Carolyn's for years, Her boys were little, then they got married and started having kids and Amanda would bring them to JCPS for Carolyn to show them off. It was incredible. I met her 30 yrs ago when I started at JCPS and met her through another friend Diane. Then we off to Tumbleweed for lunch, several times a month. We had a blast!!! Getting to know Carolyn was such a blessing we would talk about our kids and husbands, she would always ask me please pray for my boys! And I would, she truly wanted the best for ALL of her family. Denis she truly loved you and the kids, she wanted the best, I remember she told me and Linda just a couple days before she went home to be with the Lord that she worries about you all and we prayed for you guys, she cared for everyone until the end. I remember your guys anniversary party that Jay and Amanda had it was awesome to see the love that y'all have towards each other. I love you guys ALWAYS ❤️❤️

“ *I have such fond memories of Carolyn. We started as coworkers and quickly became friends. Her family was everything to her. She loved them all unconditionally. I'll miss our long talks, laughing together, crying together and just being together. She was an angel in the flesh and now is an angel in heaven. Rest peacefully sweet friend.* 💜💜💜

“ I had the honor of working with Carolyn for 15 years. She was my secretary while I was at the JCPS Nutrition Service Center. Carolyn was the BEST! She paid so much attention to detail and tracked and provided lots of information that helped me manage the NSC. She loved her family very much. She talked a lot about her husband, sons, grandchildren her mom and her cousin Glenda. She will watch over you all from heaven I am certain. My prayers for Dennis and the entire family!
