“ GRANMA CAROLYN to walk into your room and see you smile,
I walked over and hugged you all the time,
you always made me smile and always had stories to tell.
I loved sitting with you everyday and listen to the memories you had
to share
You showed us that life cant be all that bad
there is always a light at the end of a tunnel,
You were so strong,
You had faith in us all,
You had great sprit even if the day was dull.
you weren't just my GRANMA
you were my best friend
I know you had to go,
now I feel I'm alone
but I know you're close.
when I feel the warmth at night I know its you giving me a good
night kiss,
when I feel my chest getting tight I know that's you giving me a big
hug,
when I feel the wind brush through my hair
I know your whispering hello to me ..
when I see the sun shine I know you're happy,
when I see that bright star I know that's you watching down on us all
and smiling
now a beautiful angel watching over us all,
we pray to you each night.
Loosing you GRANMA broke my heart and every day without a
doubt I think of you and shed a little tear, for a GRANMA CAROLYN
I loved so dear.
WE ALL MISS YOU SO MUCH...WE LOVE YOU DEARLY.....
