“ To a dear sweet lady who will always hold a special place in my heart. Remember when we were little they would all come down for the weekend I would always go down to the lake and camp, it doesn't seem real that we should be saying goodbye at such an early time. It seems like we should be little again, and mom and Carolyn making all the decisions . Always love her with all my heart , May you fly high with the Lord no more suffering no more pain
