“ Was stunned just now to learn of Carolyn’s passing. We met at school as teens and she got me my first job at 15 at the shoe store on Preston and also with her Grandmother Lottie. Have missed her and thought of she and Shelby many times over the years. Loved them both and also sad to learn of Shelby’s passing. They loved their girls to the moon and back. Peace be to all her family and I know the memories will always sustain you. God Bless. ❤️🙏
