“ So sorry to see that Carolyn has passed. One of my first new friends many years ago at Angela Merici. She was my buddy in home room for 4 years. They always put us alphabetically and it was Vessels and Vogt. She was so nice and I bet she was a fabulous teacher. My thoughts and prayers are with you.

“ *Bill, Jason, and Steven, I am so very sorry for your loss. Carolyn was my first-born's first grade teacher, and she handled ME like the professional that she was! Understanding a mother's nerves and anxieties that come with a first born, Carolyn was kind, patient, and so reassuring. She was an awesome teacher! My heart and prayers will be with you during this sad time.*

*Sincerely,
