“ My sister and I have been close in our hearts since day one. Even apart, our love for each other was a given. All the laughter, tears and all out giggles were always a part of our lives. I will miss her more than I can put into words. Thank you God for putting us together in this life.

Cathy was my “sister” n law for 50 plus years . Much loved by my brother and family . We had many memories , early on and lots of giggles. I treasure the conversations we had in the last couple of weeks and miss her deeply already. She is in paradise with the family before us and we will all be together again . Peace is yours sister.
