“ I met Catt online through TikTok and absolutely adored her. Although we only spoke via messaging, I was devastated to hear of her passing. As a widow myself, I kept checking to see if she'd posted lately because I was concerned about her. I am just crushed. My heart goes out to her beautiful family.

“ *Cathy was my husband's cousin - when we were first married she was just a little girl and she called us Dogie & Mogie rather than Donnie & Margie. I have fond memories of Cathy and am sad for her family to have such a loss. May she rest in peace. She is joining many angels who have gone before her.*

I had forgotten about that Margie! Funny!
