“ I loved how Chad was so encouraging to my Jordan when he wrestled in high school. Always cheering him on. Recently I looked over my shoulder at Jordan’s father funeral this past August and saw Chad and his family come through the door. Again, he was there for Jordan. I’ll never forget those loving, caring eyes. They seemed to share in Jordan’s pain as to lift it away a little. I know his heart is lighter now resting in Our Lords arms. All peace and deepest sympathy

“ Friend I will miss you so. Coming to work at the fairgrounds was definitely more fun with you and your wife! We made plans to go hiking and I was ready for you to get that new camper so I could travel with you two! You will be missed Chad and never forgotten and thanks for making me laugh!❤️Erica

“ When we would do a show at the fairgrounds and our booth would be side by side listening to music singing! It was work but when he was there it was fun! I never saw him without his beautiful wife or without that amazing smile on his face! I don't care how busy he was he always said hello or made a Chad remark to make me smile! I will miss you! Fly high until we meet again!

“ When I adopted Jonni, it was hard to survive as a single mom. Chad and Christy made sure we never wanted for anything. He was a phenomenal dad and friend. He will be missed beyond words!
