“ I don't even know where to start about saying how much I will miss the best grandma and person I have ever known. Mawmaw was my best friend and I loved her dearly as did she loved me dearly. I could tell her anything, and I did, and she just loved to talk, no matter the time of day or night. There is a special place in heaven for people like her and she deserves every minute of it! Mawmaw will be rewarded greatly for how she treated EVERYONE during her time on earth. I have never seen anybody have such a positive affect on people in my life as she did. She thought I was her baby when I was born, and all throughout my life I pretty much was. Her funeral was the hardest thing I have ever been through my entire life. I am comforted by the thought that she is no longer in pain and is no longer suffering. We were all so lucky to have known her and I will miss her forever and ever. I Love You Mawmaw!

“ I would like to express my sincere condolence to the family and friends of Mrs. Miller. It is always difficult to lose a family member or close friend that means so very much to us. My own personal regret is that I could not have gotten to know this special person much better than I did.

I'm deeply sorry that I could not attend the visitation or the funeral services but circumstances not within my control prevented my attendance. However I wish the best for Mrs. Miller's family. You will all be in my thoughts and prayers.
