“ For many years, Charlie prepared our personal and business taxes for my husband and me and our veterinary practice, Crescent Hill Animal Hospital. When my husband was diagnosed with terminal brain cancer in 2017, Charlie was so kind and caring to us as we faced the end of my husband’s life. After my husband passed away, Charlie was so helpful to me as I sold the practice. He continued to be there for me every February when I would get my tax information together. I was so sorry to hear he had passed away. I was looking forward to seeing him again. My heart goes out to his family.

“ Charlie was our CPA at K-I Lumber. I was the bookkeeper and worked with him for 30 years. He was always calm and so nice to be around. He was a big help to me because I took Hilda’s place and had a lot to learn. He and his dear wife Marilyn were a perfect couple. I would see them in the park with their precious dog and see them at K-I dinners and parties. I will always remember him as a wonderful and cheerful person. Thankful he was a part of my life. Rest in peace my dear friend. Carolyn Elder
