“ Charlie was a friend of mine at Shively Ministry. He was a faithful volunteer. As i got to know Charlie i learned he was a man who lived by: "Take no more than you need". He was honest to a fault. If that is possible. Hit your drives in the middle of the fairways my friend. You earned it. God Bless Charlie's family. I know he is missed.

“ Charles boy as us kids called him,was a great person to all of us. There are many memories of him and me that I will always treasure. He was my god father and I know he would of cared for me like his own if the occasion had ever risen. He never met anyone that he would not help. Him and Doris was always there for many of us. He will be one greatly missed especially by me,but I will always have my memories. They raised three wonderful girls who i know are having a hard time with losing both parents so close together, but that was him and Doris always together. You both are already greatly missed. By your girls,family and friends. Christmas time was always special until grandma died then we all got older life changed but we have memories that we can all cherish. R.i.p. uncle Charlie boy love will get us all through this.
