“ Sorry to hear about Charlie! He was one of the best commanders 5421ever had. Good man!
Going to try to make it for visitation but coming down with flu symptoms like everybody else now.
May God watch over Wilda, Debbie and rest of the family!

“ Papaw I didn't get the chance to tell you one last time that I love you due to being highly contagious so I can only pray that you know. I am at peace knowing that you are no longer suffering. You will always remain in my heart forever. Love you always your grand daughter.

“ I miss your phone calls and our father/daughter conversation. I find comfort in knowing you are no longer in pain. I wish I could hear those nautical bells one more time. I'll always be your little girl love
