“ Charlie was a great worker, always trying to figure out a better way and not afraid to think outside the box. I always enjoyed working with Charlie and his passion for General Shale and his area of responsibility.

“ *Oh Charlie, I am going to miss you so very much. You are one of the finest men I have ever known. A true good Christian. A great husband and dad and grandpa and great grandpa. Always thinking of your family, brothers and sisters and neices and nephews. You were extremely good to them all. You always had a smile on your face and a dance in your step and a prayer in your heart. Now you can visit with GOD and your family and friends and walk with Jesus down the golden streets of heaven. You earned your crown and then some.*

*LOVE YA
KITTY*
