“ Chuck was a kind and gentle man, cared about everyone. I worked with Chuck at Philip Morris and everyone loved him. He will truly be missed.
Kirby, if there's anything I can help you with, don't hesitate to ask.

“ I'm so very sorry to hear of Charlie's passing. He was the Youth Minister at Douglass Blvd. when I was a teen. My husband and I went on our first date with the youth group on a field trip to Mammoth Cave. We have been married for 37 years and Charlie would remind me that he was there with us on that first date. He also conducted my dad's funeral at my mother's request in 1973. It meant as much to him as it did to us. My condolences to his family and to Kirby. He loved all of you, very much.

“ I will miss Chuck dearly, his smile, his laughter and his joy with life brought abundant joy to my life. I will miss our theological talks. The void felt by his absence will be great but I take comfort in his declaration the last time we talked when he said "it's gonna be ok I know where I'm going. Surely Heaven is a brighter place with Chuck there.
