“ *Mr. Crockett deserves the Bronze Star for raise'n such a nice, large family. . !*

I served with his son, Mark. If I passed Mr. Crockett on the street, I would know by his appearance that he just had to be Mark's dad.

Split'n image.

I know Mr. Crockett will continue to have a good life.

“ I was very shocked to see the passing of Charlie. His wife, Shirley Mae and I were the best of friends from early child hood. We stayed in touch for a long time. unfortunate that I never got to meet Charlie even though I felt I knew him. Shirley Mae's family was very dear to me during our childhood days. I wish I could have met him but I know he is with his soul mate. Shirley Mae and Charlie, Rest in peace with our Heavenly Father. Much Love to the family.

“ My thoughts and prayers are with all of you during this difficult time. Charlie was one of those people who had a lasting impression on everyone he met. He never had a bad thing to say about anyone and was always so easy going and likeable. He will be missed by everyone.
