“ Sorry to learn of Charlotte's death. I was a distant cousin of hers and loved getting hand-me-down clothes from her. First pair of shorts I ever had came from her--wonderful childhood memories of a city-cousin who loved coming to the country in the summer. Her first husband was also my first cousin. We extend our sympathy to the family with love.

“ Dear Gary & Margaret,

*Please know of my prayers for you as you say your temporary good-byes to your Mom. My prayer is that all of you will experience the peace and hope that passes all understanding because you belong to Jesus as did your Mom. Oh death hurts and the Lord surely knows that so talk to Him lots and don't be afraid to tell Him you need Him.*

*With sympathy,

“ Margaret & Lauren:  
*I am so very sorry to hear of your loss. Your family is in my thoughts and prayers. I hope you will celebrate your memories as we have been doing this summer since the death of my mother and remember all the good things your Mother in Law and grandmother brought into your lives.*
