“ Every year I say something on Facebook either around your birthday or just bc you popped in my head. I no longer have fb and it makes me sad I can't just say “hi” to you whenever. Anyways, I was cleaning out my garage and came across our handwritten rap we did about a fly a flea and a floo. We were so young and silly. Then that same day I was cleaning out my emails and came across our emails when you lived in Florida. The pictures! Hahaha! Im glad I still have those memories of us. I love you and miss you so much.

“ Clint, there are zero words to say how I feel, all I could do when Denise passed was to punch my couch thousands of times till I put a hole in it.

Dude, I'm tearing up just writing this, I know she was your everything....never forget her, after 4.5 years I still think about my love everyday.

Impossible for you to understand now, but it becomes easier to just remember the love you guys enjoyed.

“ Hello Clint and family,
I am thinking about all of you! I miss Chianni very much and she is greatly missed. Nothing is the same here without her. Chianni and I had lunch by ourselves and got to know each other. She made my days at work better.

*You are in my thoughts!
