My condolences to the family. And chase, I know your momma loved you so much.. you were all she ever talked about. You lit her light up. Be strong chase.

Christina had such an infectious laugh and smile. I met her at UPS and was amazed at how determined she was, working 2 jobs at the time to provide for her son. She always bragged about you Chase, telling everyone all the time how lucky she was to have such a smart and handsome boy. She will be greatly missed but her memory will live on in our hearts.
