

Christopher Brandon Allen

October 8, 1984 - May 14, 2025

Brandon was an amazing and brilliant person who will be greatly missed. His witty personality and love he had for his family is how he will be remembered. We seek comfort in knowing he is with his mother again who recently passed. Preceded in death by mother Pamela Allen, grandfathers Richard Davis and Lewis Allen.

He is survived by his father Floyd Allen, sister Kelly Coleman (Vincent), aunts Debbie Dillard, Sabrina Allen, Janice Allen, Becky Davis, and several other family members.

The family would like to remind everyone to take mental health seriously, please. My brother fought hard.

“ I only got to meet this young man once @ my parents house. (Frank & Alita Ashford) His mother Pam Davis Allen is my cousin & she came over to visit us as she also missed her mother dearly, (Aunt Shirley Davis) who left this earth way too soon! She was my mother's older sister & in our growing up we were all very close & did alot of things together. Pam was very proud of this young man & I knew him as Brandon as that is how she had introduced him to us as she packed him in on her hip! She was one proud momma. She was missing her mom & beings my mom & her mom were sister's & my mom & Aunt Shirley had so many of the same traits & my mom being a very loving & nurturing mom knew that she was needing that mother's love & to introduce her little bundle of joy young Brandon to us all. I have a son myself only a few months younger than Brandon and I can't even imagine losing him & my heart aches for you all. I know he is woth

With his mom & grandmother but here on earth his dad Floyd & sister Kelly are hurting & missing him dearly & I am sure still trying to grasp this along with all they have been through having the loss of Pam so recent! My prayers 🙏 to you all. Please keep checking on each other & be there for one another.

“ I didn't know Christopher, but i know your pain. I lost my brother in 1983. It's horrible for all. Mental health issues still have much to gain as far as understanding or healing, but they are working on this issue and learn more every day. Much love and condolences to your family.
