“ We came to know Chris while he was a student at Carl D Perkins Center. He attended First Baptist faithfully while he was in school here. He loved to sing, and always had a smile for everyone. Chris certainly loved The Lord & his church family. He would still call every once in a while just to catch up.  
He would call me Mama Paige. I am so sorry for the loss you have suffered & I pray that the grace of God abounds & you are comforted knowing Chris is smiling & singing for Jesus .  
Blessings,

“ We will certainly miss our dear friend. Chris was in my food service class at Carl D. Perkins Vocational Training Center in 2006-2007. When I met him, he was my student, but he came to be like a child to me. I will remember Chris as a sweet, gentle soul who loved the Lord, his church, his family, and his friends. May his family and all who loved him find comfort in the lasting memories made with him. Christopher Glen Dobrick, it was an honor and a pleasure knowing you. Rest in peace my dear friend.

“ Chris always had a smile on his face! Such a big heart!! The only person I know to eat anchovies on his papa john's pizza! God has gained a special angel today! I've known Chris since Kenwood, Iroquois, and Fairdale! We even lived down the street from each other! He will always have a special place in my heart! Thinking and praying for his family!
