“ I am sorry so for your loss and also want to extend a special thank you for your donation requests to KODA. My mom passed away last year but we were very blessed to have an extra 13 years with her as she received a heart transplant at age 57. May God bless you all and give you comfort at this time.

“ With Sincere sympathy. In the fullness of time, a life's journey ends, but love once shared continues to live. And beyond this day.. that love prevails. Chris's life was short, but his love and kindness to others will live on,in his son Andrew and the memories shared by his many friends. Praying for all members of the family.
