“ Clarence was always very sweet to me and all the guys at Southern States. He always had a funny story to tell us, and a smile on his face. He loved coming to the country, and spending time with friends and family here. He will be missed. Our thoughts and prayers are with you at this time.

“ It has been an honor to have known "Bud". Though I have not known him for a long time, he always treated me like family when I would visit from my job in the military. Some of my fondest memories have been with Bud and our families on his farm. Bud will be sorely missed. My thoughts and prayers go out to the McStoots family.
