“ So sorry about your loss. Clarence was a wonderful guy! I worked with him at GE for several years. You could always tell when he missed work, it was so quiet and not near as much fun. When he did miss, it was usually to do something for someone else. A great guy! He will be missed by many!

“ *I am so sorry for your loss. Clarence was my working buddy at GE. I will miss him very much. He always had a smile on his face and made me laugh when I didn't feel like laughing.*
