“ Connie & David always brought in happiness to the bank. The tellers loved seeing Connie (the lady in pink with all the pink glitter stuff). It was such a please serving them for the 9 years I was at the FC branch. I'm so saddened to hear about Connie's passing. My love and prayers for David and everyone in her family.

“ I love Connie so much. Always had a smile on her face and was always so nice to me, I loved seeing her at my job and loved seeing what amazing outfit she was wearing that day, and her matching nails. I'm going to miss seeing her.

“ *Connie was always so much fun and ready for the next adventure. One of our most daring exploits was learning to roller blade together. We spent many hours at the reservoir honing our skills. Connie was such a good listener and was my rock during one of the most difficult times in my life. Our friendship was enduring over time and distance.* Daisy (Ewbank) Marshall

“ *Connie was the bedazzled lady of my exercise class in every way. Always happy. Always smiling. Sometimes talking through class. Tsk tsk. She always brought joy. Usually right in the front row, as she should have been. The star! A bright light in this world is sadly gone.*
