“ Dear Witten Family,  
I was sad to see that our dear neighbor Cordelia had passed away. It has been many years since we lived on Fielding Way yet I always remember how kind she was to the Nash children. Mom always said that Mrs. Witten was her favorite neighbor and Cordelia was a lovely lady. Our thoughts and prayers go out to you and your family at this time. Mom and dad are currently residing at the Masonic Home in Louisville Ky. They send their Blessings.  
Love,  
Carol
