“ I never had the honor of meeting Dick, and only knew he and his wife through my husband's family. This Christmas, the card from the Gault's came, as it always does for birthdays and holidays, for our son. I noticed right away that Dick's name wasn't on the card, and my heart dropped. It was my search this morning that led me to his obituary, and such sadness for his wife's and family's loss. As an Army brat with tremendous respect for our Armed Forces, I wish my son and I had had the chance to meet Mr. Gault. They drove to Lexington to attend my husband's fathers funeral, and I am saddened that we were not able to reach out in the same way. My heart and prayers go out to his family. God bless.
