“ My first memory of Gt Uncle Jess is when he and my Gt Aunt Kathleen did me the honour of attending my wedding back in 1982. Uncle Jess was facinated by the way my car was decorated after the wedding, and took loads of polorioid pictures which I still have as well as the official picture of them with me which I love. I have fond memories of their vists to England, I am only sorry that I never had the oportunity to visit you in the USA. He was such a gent and a very loving Great Uncle who will be missed. God bless you Uncle Jess, may you rest in peace. All our love Wendy and family xx

“ It has been an enormous privilege and honour to have my Uncle Jesse in my life. A man of warm words and gentle hugs. So many good memories have been left from times we visited him, his wife my Aunt Kathleen and the family and my parents, Win and Alf Billington, would have mourned his loss...but now reunited. Rest in peace Jesse and rise in great glory. God Bless Barbara.....xxx and husband Ray...xxx
