“ *To the Family of Daisy:  
I have been on many quilt show trips with Daisy. She was such a sweet person. We will miss her soooo much. We always told Miller Transportation that we wanted Daisy to be our driver. She was such fun and so helpful to all of us. I know this is a very sad time for you, but you should feel very happy to know that she had made many friends on her job.  
Our club ( Mt Washington Quilting Bees) want to give you our deepest sympathy.

“ *Missy, my heart is breaking for you, honey. I am so sorry for this devastation and your suffering. I know it doesn't help now, but my prayers are with you and your family. When I lost my mom, someone told me that "God looked down in his garden and decided to pick a beautiful rose". And that, she definitely was, just as your mom. Thinking about that seemed to help me some. I hope you can find some comfort. Love you, Honey - Jan*
