“ Dear Mike and the whole family:
I'm so sorry for your loss. It's not fair when someone so young passes. When the times are tough, remember her smile and how it made you feel.

Sincere condolences,
Stephanie

“ Dalyn you were an inspiration to so many but to your daughter you were the stars the moon the planet brynlee was that mini you and she adored you. JACOB WAS YOUR ROCK he was your sunshine on your face raindrops in your hair and birds whistling sweet nothings in your ear. You young lady was my go to when I was sad angry or glad. You kept me grounded when I thought I could not take anymore. We are all going to miss that sweet bobbing face we seen every morning and the lunches we had that we never planned. God rest your heart and soul so many people lost a friend a mother a wife a daughter a teacher a co worker and I am sorry for the ones who never got to know you but through all us they will and never will be forgotten. We had so many plans for the new school year for the girls I just hope makinna and brynlee will still get that and know I will be there to help alongside of your family if need be or asked. God bless my friend and now go rest
