“ I am so glad that Danny was able to work with you and Shawn these past few years and glad he was able to get close to you. He would tell me stories of how you made him laugh and he would laugh until he cried and his stomach hurt. I will miss this very much.

“ "If I should die, and leave you here awhile
Be not like others sore undone, who keep
Long vigils by the silent dust and weep.
For my sake, turn again to life, and smile,
Nerving thy heart and trembling hand to do
Something to comfort weaker hearts than thine.
Complete these dear unfinished tasks of mine,
And I, perchance, may therein comfort you!"

“ He was just one of those people you love to be around. Never without a smile. His laugh was contagious, never a dull moment. You're gonna be missed by everyone who has the luck of knowing you.
