“ I was so sadden to hear of Danny’s passing. He was such a good friend to me. He always - always - had time for me and would try to help me in any way he could. Danny’s office in the state capitol with Governor’s Patton and Beshear was always an open door for me. He and I would sit and talk, laugh, take a walk and just hang out. Every time I would see Danny we would pick right back up as if no time had passed. He always made me laugh!
Danny will live on in my memories of our time shared together and I will never forget all the kindness he showed me. My heartfelt condolences to his family.
