*Entered a caption twice when posting, but it's not showing-up. I'll try this way: Lee with Danny, Shepard AFB, Tx. Saturday, June 29, 1985. He always hated this pic, but it's the only one I have of him.*

*Actually he said "I don't like the way I look in this picture." I'm guessing it's because he looks so plastered. He didn't have as much to drink as it appears. We never finished that conversation, though.*

“Oh Danny Boy”... we are all going to miss you so!

*Our family and the family parties will not be the same without you here. In a time of need, you were there to help, many times in the background with no fanfare or fame. You took care of things so we didn't have to worry about it, never expecting anything in return.*

*Always having a smile on your face, even when you weren't necessarily in the mood to do so. A loyal and devoted friend, not only to Jim, but to all of us. You took care of us in Central Lake, with your ability to cook and bake we'll never replace the No Bake Cookies or Lasagna (just to name a couple) you got to be famous for at family parties. We would often times ask Jim to "see if Danny will make his (anything) for dinner today," and you would without hesitation or complaining.*

*You took such wonderful care of Jim and though we can not promise we can handle him, we will do our best to keep him in line and hopefully find at least 1/10th of the patience you had when doing so.*

*You went far too early, but know you will be Forever Loved, Forever Remembered and Forever Young.*

*The family of Jim Bodis*

“ Danny, You will be missed VERY MUCH!!  
You and I may not have always seen eye-to-eye on everything; but all You had to do was Smile and...That Was It!!... You won the argument.-  
I could never resist that Angelic Smile of Yours.-  
Your Loving Spirit will Always be with me and I know You are no longer suffering.-  
I'm going to miss You, buddy!!

“ Danny you were the best big brother a girl could ever have. You will be missed greatly. You loved with your whole heart. You always thought of others more than yourself. I love and miss you so much
