“ Dan will be dearly missed by Cindy and I. He was always there for us; especially for me which started from the very beginning of our lives together. We always had each others backs which is what most brothers cherish the most. I was blessed to have such a brother.

*With great love, Larry*

“ I am so thankful for the time we had together - most especially in the last 10 months. I will miss your wit. I will miss the ceaseless bits of trivia you loved to share. I will miss the long hours of talking on the porch. I will miss hearing "hey dude" and "love you both" on the phone. Most of all, I will miss your thoughtful, kind and gentle spirit. I hope you know what a blessing you were to me for I am truly blessed to have called you my brother-in-law. I love you, Dan.
