“ Aunt Sandy & David & Family,

I am so sorry about Uncle Danny. It seems we're never ready for that moment, even when we have been 'prepared', let alone to have them go suddenly. I have so many great memories of him and you all. You were a big part of my childhood that I fondly remember. I will miss him very much. It's been a difficult year for all our family. First losing Jeanne, then Mom, and now Uncle Danny. It seems time marches on and takes our loved ones with it. But, we do have the promise of meeting again which gives us comfort and hope. My prayers and love are with you.

Niece, Pat(Trish)Edwards & Family
